## **DETAILED ACTION**

### ***Oath/Declaration***

1. The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414. For example, "failure to include the following claims in the original patent..." is not an acceptable statement of an error. See reissue guide and MPEP 1414. An error in the claims must be identified by reference to the specific claim(s) and the specific claim language wherein lies the error. A statement of "... failure to include a claim directed to ..." and then presenting a newly added claim, would not be considered a sufficient "error" statement since applicant has not pointed out what the other claims lacked that the newly added claim has, or vice versa.

2. Claims 25-38 are rejected as being based upon a defective Oath under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the Oath is set forth in the discussion above in this Office action.
